MARKET ANNOUNCEMENT

- Narita Project Update

FBL is pleased to announce further to its market announcement of 30 April 2018, the three candidates had departed Fiji this morning. The candidates are being accompanied by our Student Support Services & Project Manager, Ms Toko Uchiyama. The candidates are Vani Mataitoga, Kesaia Waqabaca and Roneta Ratumaitavuki.

Filled with sadness of parting with their loved ones but excited at the same time, Kesaia said, "I am sad to be leaving my family behind but I am also excited about this new opportunity."

Ms Uchiyama said, "All costs incurred since their selection are all borne by the Narita Airport team which include their Japanese tuition classes, accommodation, visa and airline costs to Japan, so the girls are very fortunate."

Chief Operating Officer, Mereseini Baleilevuka said, "This is a very exciting time for the girls, their families and Fiji as a nation as these girls are ambassadors for our new agreement between Free Bird and Narita Airport. The girls will have the opportunity to showcase our Bula smile and our hospitality not only amongst the Japanese nationals but to all the tourists who will be transiting through the Narita International Airport."

The candidates will commence work on 4 June 2018. FBL is proud to be marketing Fijians and Fiji on an International stage.

Yours sincerely
