### MARKET ANNOUNCEMENT

#### - FBL scoops two awards at the SPSE annual awards

Free Bird Institute Limited (FBL) and its representatives were recognised and awarded at the SPSE annual awards night held in Suva on 28 September 2018. The Company was accorded with the best design and presentation awards under the Annual Report Awards in the listed companies' category.

The second award was the Spotlight award for the Enterprising Achiever of the Year given under the Grand awards to the Chief Financial Officer Waisale Iowane.

Executive Chairman, Hiroshi Taniguchi said that these recognitions reflect highly on the calibre of people within FBL. "We have such a great team at FBL who aim at ensuring that the Company produces the best results in line with best practises. To receive this award shows our commitment in not only meeting the listing requirements but also ensuring that our stakeholders receive the information in a presentable manner," he added.

"I join the Board in commending the efforts of our Executive and Management team in achieving these awards."

Yours sincerely
